GAMEY AND GAMEY GROUP

Presents

Innermetrix DISC Index

For: CEOs, HR Professionals, Talent Managers, Recruitment Agencies, Mentors and Coaches

This Innermetrix Index is essential in:

- ➔ Helping to recruit the right-mix of people;
- ➔ Making the appropriate placements;
- ➔ Determining the necessary training regimes;
- ➔ Reducing labour related conflicts; and
- ➔ Revolutionising the methods of assessing talents, inner skills and behaviours

Innermetrix Indices revolutionize the method of assessing individuals by combining the best of three world-class profiles. The Attributes Index measures how you think and make decisions (WHAT). The Values Index measures your motivational style and drives (WHY) and the DISC Index measures your preferred behavioural style (HOW).

Twenty-first (21st) Century Managers and professionals cannot do without a tool as comprehensive as the Innermetrix.
